- Stay informed on industry trends, competition, and best practices in corporate giving, including grantmaking and sponsorships
- Develop product positioning and messaging in collaboration with marketing.
- Support the creation of sales tools and collateral

What you'll bring:

- 5+ years of Product Management experience, ideally with a focus on Volunteering solutions
- Familiarity with APIs as product extensions
- A growth mindset with accountability, approachability, and coachability
- Experience with SaaS product development and go-to-market strategies
- Understanding of multi-sided marketplace design and solutions (a plus)
