Job Description

TouchBistro is seeking a **Product Owner** to join our Product team! As a Product Owner, you will play a central role in helping shape the experiences of our restaurant management platform, including Point-of-Sale (POS) products and core functionality (i.e. menu, staff, and others). We are looking for an adept, collaborative, detail-oriented, and enthusiastic candidate with a passion for problem-solving. This individual will help execute the development of our platform for all of TouchBistro's customers.

Your Day-to-Day

- Contribute to translating customer needs and market requirements into concise user stories and acceptance criteria
- In-line with the product roadmap, create and maintain a detailed backlog, sprint plan (in coordination with engineering leads), and release plan (in coordination with go-to-market stakeholders) for launching product updates
- Work closely with Product engineering and design teams on a day-to-day basis; participate in daily stand-ups, sprint planning, grooming and sprint retrospective meetings
- Collaborate with designers, engineers, marketing, sales, and support to take product features from ideation to release and on-going operation (go-to-market and organizational readiness)
- Possess a high level of understanding the needs of restaurants, their staff and guests to and deliver a best in class experience via the TouchBistro platform

All About You

Must Haves:

- You have 1-3 years of experience as a Product Owner or working with product development and engineering teams
- You have experience in the Software industry
- You hold a Bachelor's degree or diploma in business, technology or related field(s)
- You exhibit strong communication skills (both written & verbal)
- You are highly organized & able to manage your time effectively and efficiently

Nice to Haves:

- You have experience in SQL
- Scrum Product Owner designation / certification is a bonus!

What We Offer

At TouchBistro, we are a diverse group of restaurant-obsessed, tech-loving people brought together by a mission to support the passion and success of restaurateurs. You can feel confident joining a fun, vibrant, and rapidly growing environment. You will be working alongside driven individuals who are passionate, innovative, accountable, collaborative, and respectful.

The Perks:

- Unlimited Vacation
- Health, Dental, and Vision Benefits
- Flexible Health and Wellness Plan
- Parental Leave & top up
- Employee Assistance Program
- Professional Development
- Volunteer Program
- Monthly Lunches
- Flexible Work Arrangements

About TouchBistro

TouchBistro is an all-in-one Point-of-Sale and restaurant management system that makes running a restaurant easier. We have powered more than 29,000 restaurants around the world, and we know that while passion is plenty in the restaurant industry, time and money usually aren't. Providing the most essential front of house, back of house and customer engagement solutions on one easy-to-use platform, TouchBistro helps restaurateurs streamline and simplify their operations, increase sales, drive revenue, and deliver a stellar guest experience.

TouchBistro believes in fostering an inclusive workplace where all individuals have an opportunity to succeed. Requests for accommodation due to a disability can be made at any stage of the recruitment process.
